The SNEINTON FESTIVAL is a community and arts event that has been held for over 15 years and includes a 'Festival Week'. Seven days of events around the area all culminate in the 'Carnival Day and Parade' - a free event that includes performance and street entertainment.

Sneinton is a vibrant area of Nottingham, our festival aims to promote our community, showcasing the talents and skills of our children and local residents. This year has proved to be a real challenge due to the current economic climate, so many thanks to our local councillors for helping secure our funding from the City Council.

We would like to take this opportunity to thank all of the volunteers who have contributed, local businesses, school staff and the children. You have helped to raise over £500 and been a tower of support for the festival, so thank you. Your hard work and enthusiasm makes the Sneinton Festival a success!

How we can make the summer event really special
for everyone?

Committee members are needed for 2010 and we always need volunteers! So if you would like to get involved, please call David Jones 01159584862. We want to raise money all year round so please get in touch.
